QUIET WEDDING OF
WELL KNOWN COUPLE

Lyle E. Weir and Ethel Richards
Married Monday Evening

Two of Tempe's well-known young people sprung something of a surprise on their friends Monday evening by quietly getting married and taking the 6:18 train out of town for the coast. The young people in question were Lyle E. Weir and Miss Ethel Richards. Those more intimately acquainted with the two were perhaps not a great deal surprised either, for it has been evident for some time to them, that ultimately such a happening was not to be unexpected.

The wedding took place at the home of the bride's mother in Goldman's addition at six o'clock. The service was performed by Rev. N. B. McElwee, pastor of the Christian church, and was simple but impressive. It was witnessed by only the immediate relatives of the contracting parties and a very few intimate friends. Cecil Sherman acted as best man and Miss Irene Weir, a sister of the groom, was bridesmaid.

Immediately after the wedding, the young couple departed for the train. News of the affair had spread rapidly and there gathered at the depot, a large number of their friends and well-wishers. They go from here to San Francisco and possibly on to Seattle where Mr. Weir has business interests.

The bride is the only daughter of Mrs. Amanda Richards. She has spent most of her life in Tempe and is a deservedly popular young lady, prominent in both church and social circles. Mr. Weir has made Tempe his home for several years and enjoys the respect and confidence of all who know him. For some time he has been with the H. W. Ryder Lumber company. The young couple will probably make their home in the northwest for the time being at least.

Baby's
Voice

Every woman's heart responds to the charm and sweetness of a baby's voice, because nature intended her for motherhood. But even the loving nature of a mother shrinks from the ordeal because such a time is regarded as a period of suffering and danger. Women who use Mother's Friend are saved much discomfort and suffering, and their systems, being thoroughly prepared by this great remedy, are in a healthy condition to meet the time with the least possible suffering and danger. Mother's Friend is recommended only for the relief and comfort of expectant mothers; it is in no sense a remedy for various ills, but its many years of success, and the thousands of endorsements received from women who have used it are a guarantee of the benefit to be derived from its use. This remedy does not accomplish wonders but simply assists nature to perfect its work. Mother's Friend always nausea, prevents caking of the breasts, and in every way contributes to strong, healthy motherhood. Mother's Friend is sold at drug stores. Write for our free book for expectant mothers.

Treat the Inward Cause If You Want a Cure.

Is piles a skin disease? No, it is a stagnation of blood circulation—a swelling of blood vessels. Why expect a cure from applications outside? The treatment should attack the cause.

AVERTS AWFUL TRAGEDY.

Timely advice given Mrs. C. W. W. of Maricopa, Wis., (R. No. 1) prevented a dreadful tragedy and saved two lives. Doctors had said her frightful cough was a "consumption" cough and could do little to help her. After many remedies failed, her aunt urged her to take Dr. King's New Discovery. "I have been using it for some time," she wrote, "and the awful cough has almost gone. It also saved my little boy when taken with a severe bronchial trouble." This matchless medicine has no equal for throat and lung troubles. Price 50c and \$1.00. Trial bottle free. Guaranteed by all druggists.

RETURNS FROM TRIP

Levi Walker returned yesterday morning from an extended trip over Kansas, Oklahoma, and Texas. He was accompanied by W. R. Lewis and the trip was made for the purpose of purchasing a large shipment of hogs. Mr. Lewis remained in Texas and will probably bring a large lot of hogs with him on his return shortly. Mr. Walker reports rather poor crops all over the country he visited and a steady decline in the live stock market. He thinks more of Arizona, two, than he did before making the trip.

SWOLLEN SO BAD
LIFE A BURDEN

That is What Lady In Craig Told
Her Friend, Who Finally Helped
Her to Obtain Relief

Craig, Neb.—Mrs. Annie Dye, of this place says: "I suffered with womanly troubles, as only those who have such troubles can know."

I had backache and bearing down pains, and my body and limbs became so swollen that it was only with great difficulty I could get up on my feet.

Life had become almost a burden for me, when a friend recommended Cardui, the woman's tonic. I began to take Cardui, and within a short time, there was a very great improvement.

I continued its use, and the swelling left my limbs. Now, I feel like a different person. I am fifty-four years old and feel as well as anyone of my age.

Cardui has carried me through some very serious ailments, without the aid of a doctor. I would not like to be without it in the house."

Cardui is the ideal tonic remedy for women. Its ingredients are especially adapted for women's needs. It relieves pain, helps weakness, nervousness, dragging sensations, headache, backache, and similar symptoms of female trouble.

Being a vegetable remedy, Cardui has no ill-effects. Cardui acts in a natural way, and is adapted for the use of both young and old.

MESA

BIRTHDAY PARTY IS
ENJOYABLE EVENT

Mr. Menhennet, is Given Surprise of
Most Enjoyable Nature by
His Wife.

Wm. Menhennet, proprietor of the Coliseum, was 32 years old Monday and Mrs. Menhennet planned a surprise for him that worked out all right. Billy does the greater part of his work at night and is home so much of the time during the daytime, that his good wife arranged for a birthday party in his honor at the home of Mr. and Mrs. Geo. S. Irwin. Dr. J. E. Drane was in the scheme, and at the close of the first show at the Coliseum Monday night, the doctor informed the manager that there were a couple of vaudeville artists at Mr. Irwin's who desired very much to see him and that the doctor would take him there in the auto. Billy bit, and got in the machine. When he arrived at the house, he found quite an assemblage of "artists," and then remembered that he was passing another milestone on life's road. Dr. Drane returned to the theatre and took Mrs. Menhennet to the place of meeting.

As it was late in starting the guests made up for lost time by crowding as much fun as possible into the few remaining hours. Various games were played, and there was music, both vocal and instrumental by Mrs. Bert Cosper, Mrs. Menhennet and Mrs. Willie Irwin. In the game of "dressing the baby," George S. Barnett distinguished himself by getting the first prize for the most artistic work. The prize consisted of a fine "Mischief" Mischief pipe ornamented with pretty ribbons. Mrs. Drane received the prize as the most artistic baby dresser among the ladies.

At twelve o'clock refreshments were served, consisting of cold tongue, salad, olives, coffee, cake and grapes. The birthday cake, baked by Mrs. Cosper, was ornamented with lighted candles displaying the figures 32. Mr. Menhennet was compelled to cut the cake, his first experience in this line, and is somewhat uneasy regarding his success, fearing that he may have started something that he may have to keep up whenever cakes require cutting at his home. The guests departed about one a. m., after congratulating Mrs. Menhennet on the success of the party. Those present were: Dr. and Mrs. J. E. Drane, Mr. and Mrs. C. W. Westcott, Mr. and Mrs. T. J. Woods and daughter Evelyn, Mr. and Mrs. Barnett, Mr. and Mrs. Wm. Menhennet, Ellsworth and Valerie Menhennet, Mr. and Mrs. Geo. S. Irwin.

CHANGES IN CHURCH OFFICERS

At the Mesa Ward meeting Sunday morning, John L. Riggs and Joseph E. Noble were chosen counselors to the president in place of W. H. Allen and M. C. Phelps, resigned. Franklin Johnson and C. M. Brimhall were chosen assistant superintendents of the religion class, and Elmer Brundage selected to succeed John L. Riggs as superintendent of Sunday schools. Reports from heads of departments report the church work progressing satisfactorily.

NEW MANAGER

J. E. Noble has been chosen manager of the Mesa opera house and enters upon his duties at once. Mr. Noble ought to be a successful manager and the public will expect him to provide thrills as possible during the winter season.

CANDIDATES IN TOWN

Among the candidates who are circulating throughout the county just now are: Jeff Adams, the popular deputy sheriff, who is a candidate for the main office, and he came to Mesa yesterday to see his friends; Lin B. Orme and Frank Luke who want the democratic nomination for county supervisors, and M. B. Brooks, who wants the democrats to nominate him for assessor, were also handing out the usual talk to the voters.

FAMILIAR NAMES

A group of young men registered at the Alhambra hotel yesterday, and after luncheon were driven out to El Rancho Bonito where they will attend the school during the present term. Their names are Leonard Wood, Jr., W. R. Hay, Jr., L. G. Hamersley, Delana Andrews and J. A. Jeffries. Some of these names are very familiar to the general public by reason of the prominence of the parents of the young men, but the latter are here to obtain instruction from Prof. Evans and assistants and are not traveling upon their fathers' reputations. A list of the other students enrolled at the school, also contains names that show a percentage connected with the history of this country: Archie Roosevelt, Herbert Pulitzer, Archer Morgan, Lawrence Sperry, F. T. Tillman, guest of New York, Austin Harmon, Detroit, Theodore Marling, Baltimore, C. Gordon, Los Angeles, John Cotton, Gallup, N. M.

CAUSED A COMMOTION

Monday a prospector, giving his name as Raleigh Jones, engaged passage on the Norton auto stage from Roosevelt dam to Mesa, and was brought as far as the Henry Davis ranch two miles from Fish Creek. The man had evidently been drinking quite freely and Mr. Norton found it impossible to carry him further. Jones' language was such as to lead the people at the Davis ranch to believe that he was just naturally crazy or crazy drunk. At any rate he made life a burden to them and word was telephoned to Deputy Sheriff Peterson that help was wanted. Mr. Peterson secured the services of Mr. Hemperly and one of his autos and started for the scene of the disturbance. The start was made early in the evening, but the gentlemen had hard luck. The first machine lost a tire and the second and last refused to climb a grade, and Messrs. Peterson and Hemperly returned to Mesa, and secured another automobile. This time they made good progress until nearly at their destination, when another tire exploded. A new tire was put on, causing a delay of over an hour, and hence it was 2:30 when they reached the Davis ranch. There they found Jones in the hills apparently fighting against unseen enemies. He had, according to the statement of the people at the ranch, been roaming around the mountain side in a state of complete nudity, but was partially clothed when the officer arrived. During the afternoon he had been quite violent, but was quiet enough when Mr. Peterson took him in charge. He claimed that an organized band of men, women and children were following him and throwing cast and stones at him, and throwing cast and stones at him. From the symptoms, it was believed he had an attack of delirium tremens. He accompanied the officer quietly to Mesa, where a charge of disturbance was lodged against him. Justice Irwin was in doubt whether the man was really crazy or merely clinging to the fantastic delusions incident to a

I am scarcely ever without it in the house.

"I will say also that I think there is no better medicine to be found for young girls to build them up and make them strong and well. I tell every one I meet that I owe my health and happiness to these wonderful medicines."
